FEEL SAFE AT NEGROPONTE RESORT ERETRIA

Dear Guests and Friends,

We are ready to open the summer of 2021 with more ambition and trust than ever before! A year has passed since the beginning of the (Covid-19) pandemic. However, Negroponte Resort Eretria operated almost continuously. Despite the difficult time, our hotel remained open while our staff acquired invaluable experience and expertise in operating safely without compromising on our guests' comfort.

We have also updated our Stay Safe Guidelines in order to guarantee you the highest level of cleanliness and safety for an exceptional stay.

With every safety measure in place, we are looking forward to welcoming you for a relaxing stay and an amazing experience in the secluded waterfront hideaway on Evia island!

Nikos Stratis, *CEO Negroponte Resort Eretria*
